

You are invited to join Isbell Group International for a

Supply Chain Security Seminar

February 23-24, 2005

Sheraton Beach Hotel

South Padre Island, Texas

This educational event, hosted by the beautiful Sheraton South Padre Island Beach Hotel, is an information filled 2 day seminar. Attendees will learn how to participate in government programs like C-TPAT, FAST and ISA. Topics will include techniques and strategies to develop and manage a supply chain security program. Material will be presented by experts from the trade community, international security professionals and officials from U.S. Customs and Border Protection and other government agencies.

Who should attend: Plant Managers, Logistics Managers, Security Professionals, Distribution Managers, Customs Brokers, Warehouse Managers, Transportation Managers, Compliance Officers, Supply Chain Managers, Law Enforcement Officials, Carriers and other professionals involved in supply chain security.

With your full seminar registration you receive:

- Admittance to both days of the seminar, including keynotes.
- Continental breakfast and catered lunch each day.
- A copy of the Supply Chain Security Guidebook.
- An opportunity to meet and ask questions of experts in the field.

Space is limited so register early!
